## Pearl Insurance Automotive Dealership Program

We sell it because we know it.

The **Pearl Insurance Automotive Dealership Program** is dedicated to addressing the specialized commercial insurance needs of new and used auto dealerships.

We have 60 years of experience offering insurance solutions, including 40 years in the automotive industry. Our experience in the industry has allowed us to better understand what it takes to run a dealership and the insurance needs associated with it. Our team is well versed and knowledgeable in the underwriting and risk management that is unique to dealerships.

Pearl Insurance has the flexibility to provide an affordable and comprehensive insurance package from a variety of carriers, allowing us to tailor our coverage to meet your specific needs. In addition to providing outstanding customer service, we adhere to the principles of People, Promises, and Performance. This has allowed us to foster long-lasting relationships with our customers and partner companies.

### Providing experienced, personal service since 1954.

- Prompt, personal, and professional service from our team of professional liability and risk management consultants
- Help in preventing claims through extensive risk management tools and services that educate you on how to assess and effectively minimize your potential liabilities
